

How to search for a test using the Test Guide

1. From the Home Page, choose Test Guide.

Help |

Waikato DHB Laboratory Website

Test Guide

Search for test information including availability, specimen collection and transport, price, and testing time.

Collection Guides

Search here for blood tube collection guides and patient specimen collection instructions.

News

Click here to view latest updates, changes, infectious disease reports and laboratory KPI's.

QA Programme

Committed to maintaining quality laboratory testing, we provide a wide range of quality assurance testing to other laboratories within New Zealand and Australia.

Contact Us

Information about Waikato DHB's Laboratory operating hours and contact details, including a list of key contacts.

2. To search the test guide, you have three options:

- a. [Search by test name, registration code or synonyms.](#)
- b. [Search by test name alphabetically.](#)
- c. [Search by department](#)

Enter test name/code/synonyms:

Select the test by clicking on the first letter of the test name below:

A	B	C	D	E	F	G	H	I	J	K	L	M
N	O	P	Q	R	S	T	U	V	W	X	Y	Z

Department search:

Search by test name, registration code or synonyms

1. In the 'Enter test name/code/synonyms:' box, start typing either the test name, the registration code or the synonyms.
2. When you start typing, the search will look in the test name, registration code, or synonyms of every test for what you have typed, and show an autocomplete list that filters the results as you continue typing. Simply click on the test you want to see to be taken straight to that page.
3. In the example below, we will search for Complete Blood Count.
 - a. Searching by test name, 'Complete blood count', just by typing 'complete'.

Enter test name/code/synonyms:

Complete|blood count

Complete blood count

S **Complete** blood count (pochI)

A B C D E F G H I J K L M
N O P Q R S T U V W X Y Z

Numbers/Symbols

Department search:
(select service)

- b. Searching by registration code, 'CBC'.

Enter test name/code/synonyms:

CBC

Complete blood count

S Complete blood count (pochI)

A B C D E F G H I J K L M
N O P Q R S T U V W X Y Z

Numbers/Symbols

Department search:
(select service)

- c. Searching by synonym, 'FBC'. Any test name, registration code or synonyms that contain those letters in that order will display in the autocomplete list.

Enter test name/code/synonyms:

fbc

BCR/ABL1 FISH

S Complete blood count

A B C D E F G H I J K L M
N O P Q R S T U V W X Y Z

Numbers/Symbols

Department search:
(select service)

Search by test name alphabetically

1. To search for a test name alphabetically, simply select the letter the test name begins with. In this example, we will search for Complete blood count, so we'll click 'C'.

Enter test name/code/synonyms:

Select the test by clicking on the first letter of the test name below:

A	B	C	D	E	F	G	H	I	J	K	L	M
N	O	P	Q	R	S	T	U	V	W	X	Y	Z

Numbers/Symbols

Department search:

2. When you have clicked on the letter, you will see an alphabetical list of all the tests that begin with the letter you have chosen, in this case, C.

Laboratory Test Reference Guide

Results for laboratory tests starting with "C"

Displaying page 1 of 15

1. [C Reactive Protein](#)
2. [C-Peptide](#)
3. [C1 esterase \(function\)](#)
4. [C1 Esterase Inhibitor](#)
5. [C1Q binding](#)
6. [C3 nephritic factor](#)
7. [CA 125](#)
8. [CA 15-3](#)
9. [CA 19-9](#)
10. [Cadmium](#)

« Prev **1** 2 3 4 5 ... 15 Next »

3. Ten results per page will be displayed, and you can navigate through the pages either by clicking the next page number in the sequence, or by clicking Next.
4. Once you have located the test you are looking for, simply click the test name to be taken to that test's page.

Search by department

1. Under 'Department Search', click the drop down arrow to browse the various departments. Select the department you wish to search in, then choose Go.

Enter test name/code/synonyms:

Select the test by clicking on the first letter of the test name below:

A	B	C	D	E	F	G	H	I	J	K	L	M
N	O	P	Q	R	S	T	U	V	W	X	Y	Z

Numbers/Symbols

Department search:

- (select service)
- Biochemistry
- Biochemistry and POCT
- Cytogenetics
- Cytology
- Haematology**
- Histology
- Immunology
- Microbiology
- Microbiology and Biochemistry
- Molecular Biology
- Mortuary
- POCT
- Sendaway - Biochemistry
- Sendaway - Cytogenetics
- Virology

2. In this example, we are going to look for Complete blood count, which is in the Haematology department.
3. Ten results per page will be displayed, and you can navigate through the pages either by clicking the next page number in the sequence, or by clicking Next.
4. Once you have located the test you are looking for, simply click the test name to be taken to that test's page.
